

International Baccalaureate Diploma Program

Out- of-District Student Enrollment

For students registering under schools of choice for school year 2018-2019

Thank you for your interest in the Franklin IB program. Please follow the instructions below for students wishing to enroll that do not live in the Livonia Public School district. If you have any questions, please contact Sunshine Weber 734.744.2655 x47212 or sweber4@livoniapublicschools.org.

1. Complete the LPS School of Choice Application Form.
2. Be prepared to submit a copy of your student's latest transcript and grades, after the LPS lottery.

Applications are due by June 14, 2018. Decisions on admittance for out-of-district students will happen after June 14. If we get beyond our allotment of out-of-district students, a lottery will take place of all eligible applicants on June 18.

At that point, families will receive a letter informing them of their acceptance and will then need to contact the FHS Attendance Office for further instructions. You will need your notification letter to show you are in the IB program for registration.

During the application time period, you can bring your application form to Franklin High School or mail it to Franklin High School, Attn: Dara Cordes, 31000 Joy Road, Livonia, MI 48150.
