

International Baccalaureate Diploma Program

Out- of-District Student Enrollment

For students registering under schools of choice for school year 2019-2020

Thank you for your interest in the Franklin IB program. Please follow the instructions below for students wishing to enroll that do not live in the Livonia Public School district. If you have any questions, please contact Sunshine Weber 734.744.2655 x47212 or sweber4@livoniapublicschools.org.

1. Complete the IB Application form and submit to Sunshine Weber. I will contact you with date reminders and other information. This is just a notice of interest. This is not the LPS application.
2. Complete the LPS School of Choice Application Form (located on the LPS or Franklin IB website).
3. Be prepared to submit a copy of your student's latest transcript and grades, after the LPS lottery.

Applications can only be accepted between the School of Choice dates. This year these dates are May 3 – June 3, 2019 by 4:00 pm. Decisions on admittance for out-of-district students will happen on June 4, 2019. If we get beyond our allotment of out-of-district students, a lottery will take place of all eligible applicants that week.

At that point, families will receive a letter informing them of their acceptance and will then need to contact the FHS Attendance Office for further instructions. You will need your notification letter to show you are in the IB program for registration.

During the SOC application time period (May 3-June 3), you may bring your application form to Franklin High School or mail it to:

**Franklin High School
Attn: Dara Cordes
31000 Joy Road
Livonia, MI 48150.**
